

Welcome to The Finance and Tax Academy, a place where knowledge, innovation and excellence converge to empower individuals on their journey of growth and development.

At the Academy, we are committed to providing a transformative educational experience that equips our students with the skills, insights and confidence to thrive in a rapidly evolving world.

The academy is driven by a team of seasoned tax professionals with international experience, boasting an impressive collective experience exceeding 70 years.

The academy is proud to introduce three primary training programs.

Advanced Diploma in International Tax

ADIT

The ADIT qualification accredited by Chartered Institute of Taxation (CIOT), UK is a highly respected international tax learning programme, with students in over 120 countries worldwide. It is a challenging and rigorous program that will reward you with boost in your career. Participants gain an in-depth knowledge of the principles of international taxation, double tax conventions in light of OECD Model Treaty, international tax avoidance, BEPS, MLI, Tax treaties and the digital economy, transfer pricing principles etc with bespoke and practical illustrations.

We are thrilled to offer you courses preparing you to appear for the ADIT modules. To achieve ADIT, students must complete the mandatory 'Principles of International Taxation' exam and any two modules from the range of optional thematic or jurisdiction modules. An extended essay consisting of 15,000 to 20,000 words on any aspect of international taxation (subject to approval) may be completed in place of one of the optional modules.

The courses begins in February 2024 preparing you for the June 2024. We currently provide courses for Principles of International Tax and Transfer Pricing Module and prepare you for the extended essay.

Who is it for?

Suitable for tax practitioners who are graduates or Chartered Accountants or CPAs or Lawyers and interested in making a career in international taxation and/or transfer pricing. The ADIT is ideal for executive management including finance, tax, legal, economists, tax and transfer pricing in-house tax managers or advisers
